CENTRAL INTELLIGENCE AGENCY
National Foreign Assessment Center
Office of Imagery AnalysisOIA Notice
No. 1-7

Organization

Establishment of the Technical Staff and
Changes in the Production Support Staff

1. Effective immediately a Technical Staff will be established. This staff as well as the Administrative Staff will report to the Executive Officer, OIA. [REDACTED] will be Chief, Technical Staff. Other positions which will become part of this Staff are as follows:

Systems Analyst	-	[REDACTED]	STATINTL
Photogrammetric Analyst	-	[REDACTED]	
Equipment Specialist	-	[REDACTED]	
Equipment Specialist	-	[REDACTED]	

The formation of the Technical Staff will enable this Office to focus all of the technical aspects of our mission into a single component.

The Production Support Staff will henceforth be known as the Production Group. [REDACTED] will be Chief and [REDACTED] will be Deputy Chief of the Group. The Graphics and Maintenance Branch of the Production Group will henceforth be called the Graphics Branch. The photo lab will remain in this branch.
